TAYLORS

CREATIVE LIVING FOR INSPIRING HOMES

furniture with character. living with style.

We believe a home should reflect the people who live in it. That’s why we source furniture with individuality, considered details and something a little unexpected.

With over 20 years of experience in the furniture industry, Taylors brings together a shared passion for design and collections chosen to inspire.

a little different

From sculptural statement pieces to timeless classics, our collections are chosen for their individuality and distinctive design details.

experience that matters

With over two decades in the furniture industry, we combine product knowledge, established relationships and an understanding of what makes a collection work.

creative thinking

We believe furniture should inspire. Through thoughtful product selection and an appreciation for emerging interior styles, we bring fresh ideas to everyday living.
